

VIOLET

A woman in a long, flowing, light purple dress is captured in a dynamic pose, as if dancing or twirling, in an outdoor courtyard. The background features a stone fountain and a clear blue sky. The entire image is overlaid with a diagonal gradient from light purple to pink. The text "Live in colour" is centered in white.

DAMAC HILLS 2

Live life *in* full bloom

Violet offers a vibrant blend of modern luxuries and the beauty of nature. Inspired by the rich hues and delicate beauty of the violet flower, these 4-bedroom townhouses provide a lifestyle infused with colour, comfort, and tranquility.

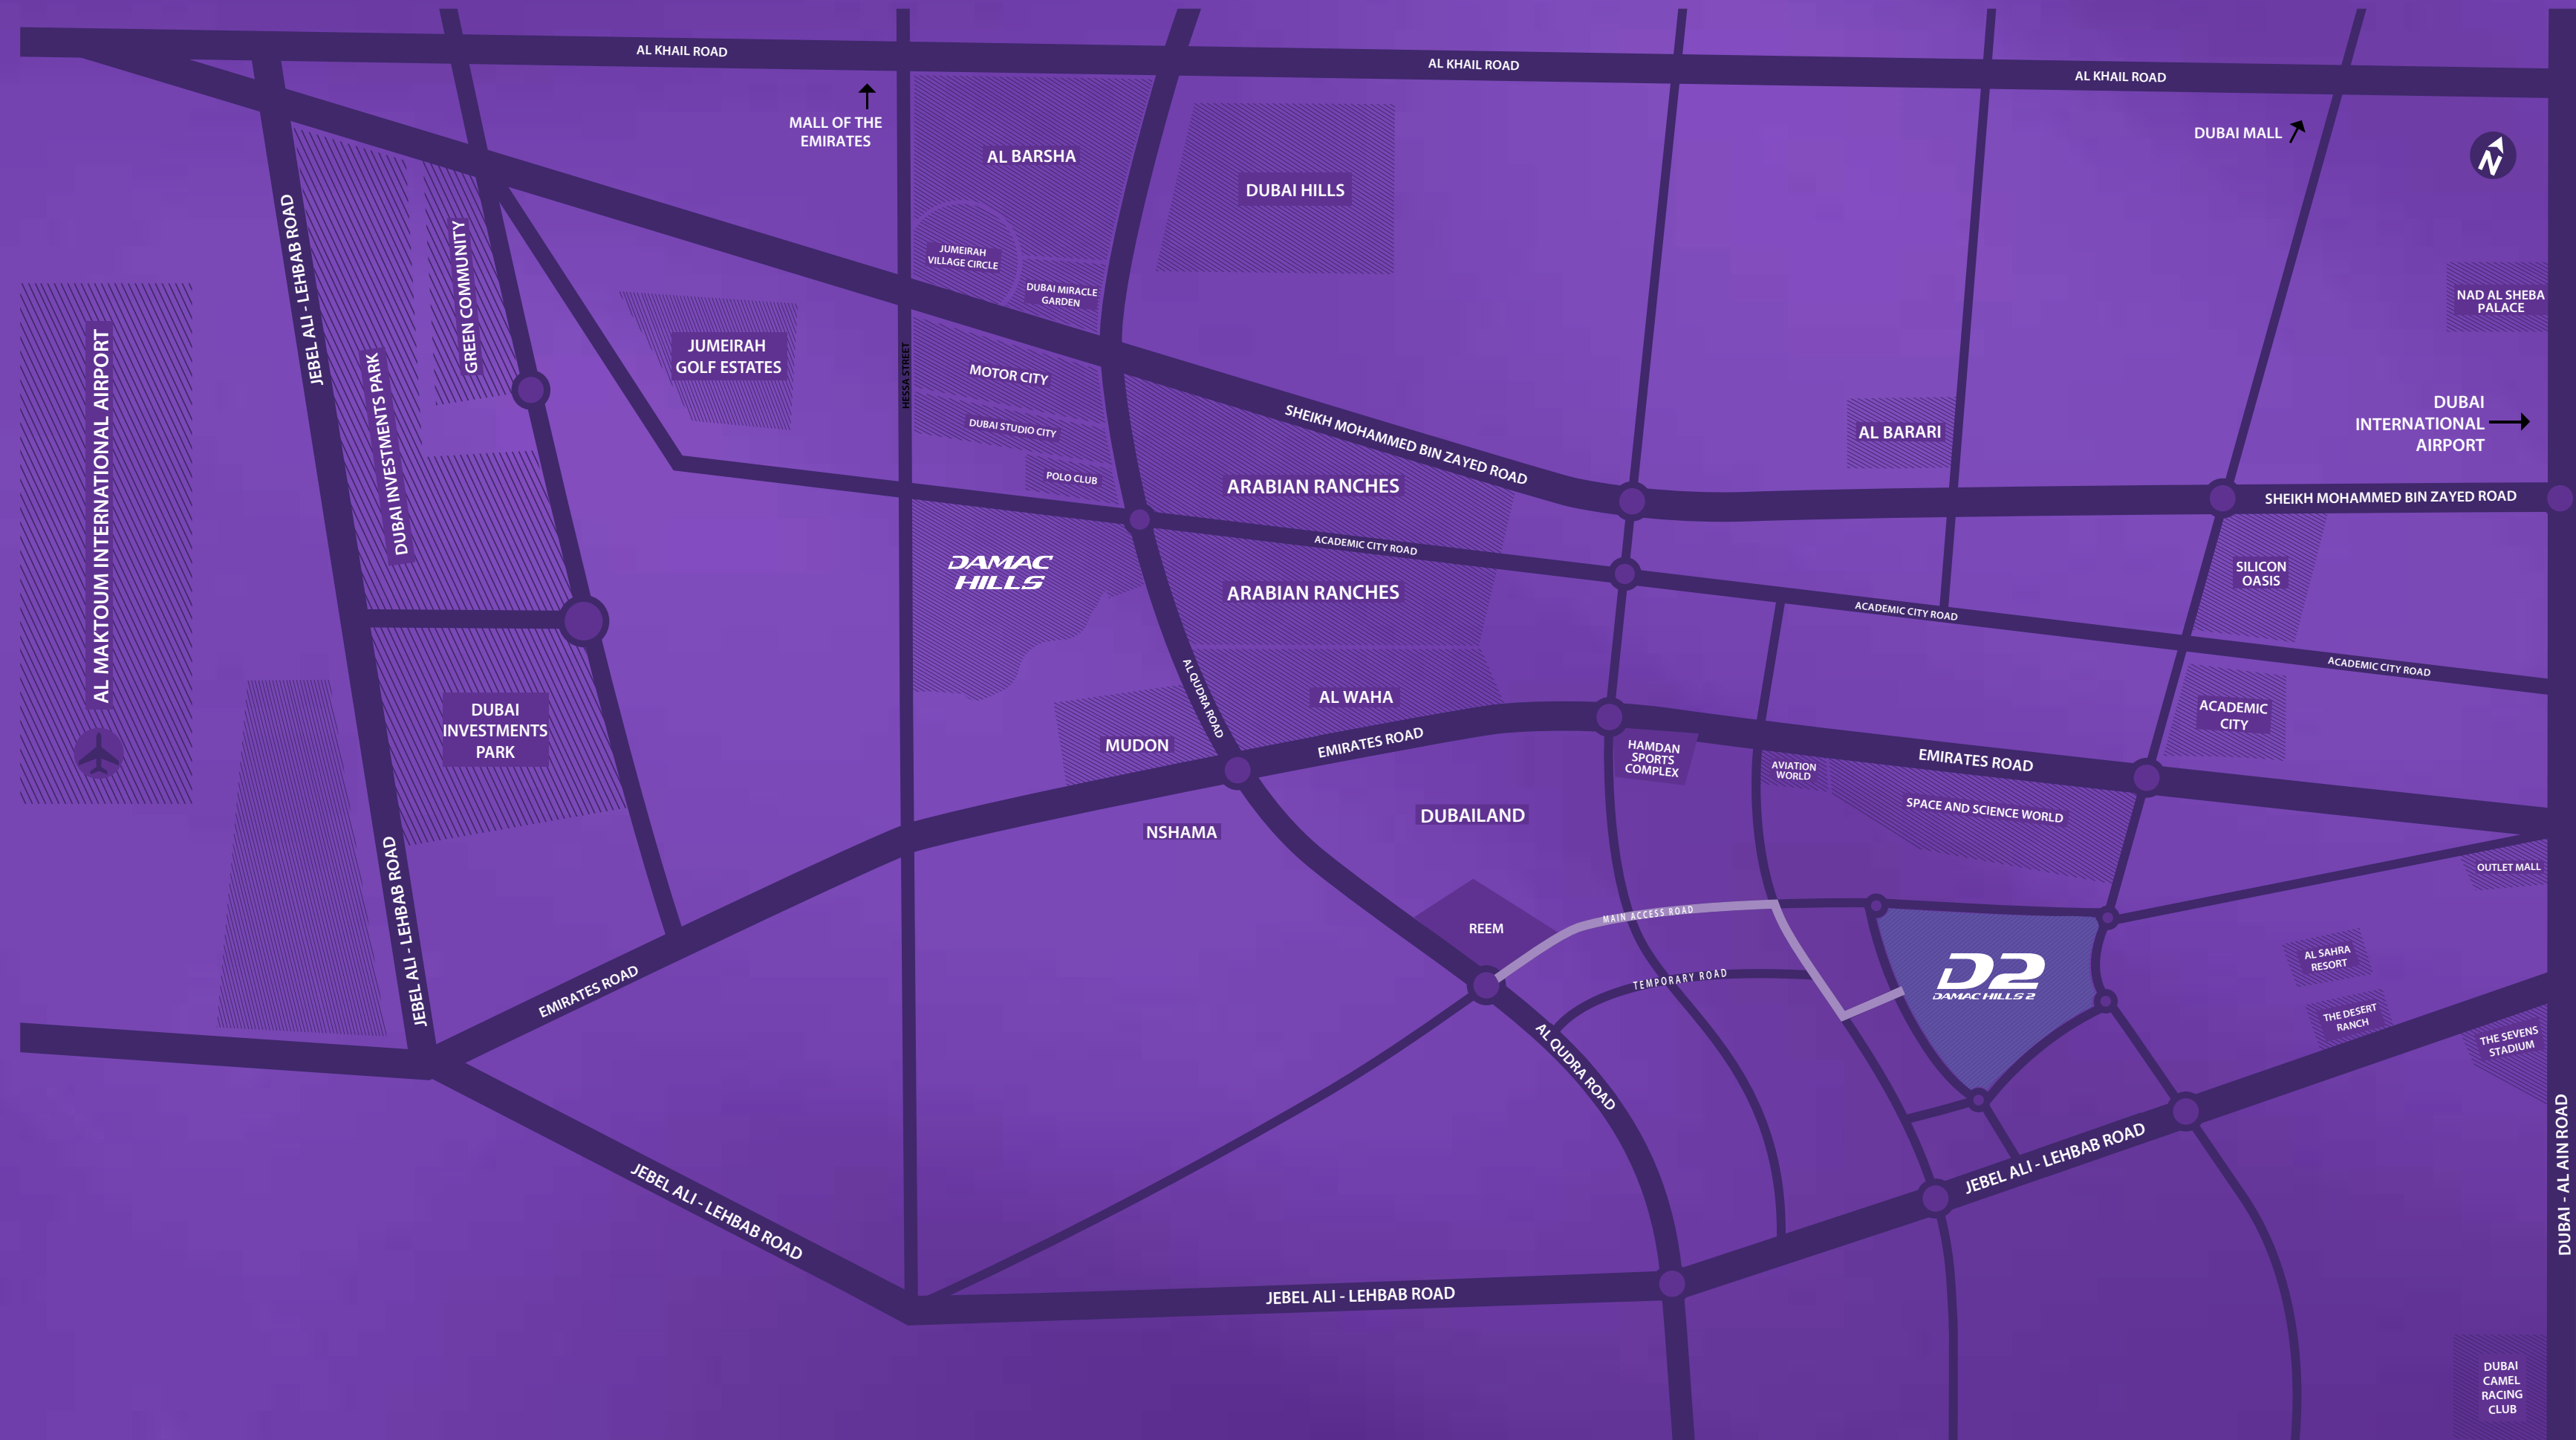

Shades *of* sophistication

In Violet, your home effortlessly blends sophistication with functionality. Every detail is designed with modern and natural hues, creating a harmonious space for everyone to enjoy. Benefit from an expansive private garden on the ground floor and a rooftop that caters to the needs of your growing family.

An aerial photograph of a modern residential development. The scene is dominated by a winding waterway with clear, light blue water. A wooden bridge with a white metal railing spans across the water in the middle ground. Several people are visible on the bridge and walking along a path on the right. In the foreground, a person is standing on a small green boat on the water. The background shows rows of modern, white, multi-story residential buildings with flat roofs. The area is lush with greenery, including numerous palm trees and other tropical plants. The lighting suggests a bright, sunny day. A large, semi-transparent graphic element is overlaid on the left side of the image, featuring a dark blue and purple gradient with thin, white, curved lines that resemble reeds or grass blades.
